

RAMBO-HC15PRO

Gasoline shredder with duplex blade drum
& Pivoting axle

PRODUCT-INFORMATION

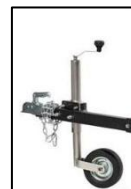

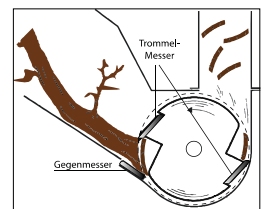

Technical Data

RAMBO-HC15PRO

Engine	4-stroke OHV petrol engine
Displacement	420 cm ³
Engine power, max.	9.0 kW at 3.600 rpm
Gasoline	Petrol unleaded
Gasoline tank volume	6,5 Liter
Oil tank volume	1,1 Liter
Starting	Recoil & Electric start
Branch diameter Ø, max.	150 mm
Knives speed	2.000 rpm
Weight (net / gross)	275 / 295 kg
Guaranteed sound power level LWA	120 dB(A)
Packaging dimensions	1130 / 760 / 1150 mm

incl. operating hour counter

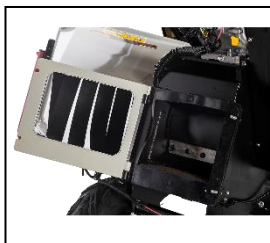

Art. No.: RAMBOHC15PRO EAN: 40 47424 00922 2

Equipment Features:

The Original:

Years of experience in development and production of chippers

- The RAMBO-HC15PRO effortlessly shreds branches up to a thickness of Ø 150 mm.
- Convenient operation due to large feed hopper.
- Integrated chassis with oscillating axle and studded pneumatic tires for fast, easy moving even in rough terrain.
- Due to the reinforced, professional duplex blade drum, the feed force increases considerably. As a result, the RAMBO-HC15PRO now processes even more unruly material than the entry-level RAMBO-HC15.
- Adjustable ejection chute as well as ejection flap.
- Feed hopper & ejection hopper can be folded to the side for cleaning the knife drum.
- **NEW: Now with a support wheel on the drawbar for even easier maneuvering.**

Folding feed and ejection hopper

Battery for electric start
